Alte abilitati si cunostinte:

I am a creative, enthusiastic, hardworking chef with a passion for food and I have about 2 years of experience in busy restaurants (international and romanian menus), also including 3, 4 and 5 star cruise ships.
I am great at following restricted recipes, orders from superiors and working as part of a team, especially as I can work unsupervised or take charge when required.
I am also extremely skilled in putting my own stamp on traditional dishes, creating new combinations with new flavours and I have a demonstrated ability to train cooks on technique and utilization of products.
Also I can provide recommendations on request.
I look forward to hearing from you and discussing my suitability for the opened positions you have
